This Product Mix Guide shows number of cases suggested for the order.

*If your unit placed Order #1, do not order these items based on the cases shown, order the original eight items as needed to replenish inventory that your unit may be low on, but that you expect to sell prior to October 22nd.

Calculations used in the guidance above are based on prior years sales from all units.
For additional guidance, please reach out to your district's popcorn kernel or professional staff member.
