

# **Valley Forge Military Academy**

**February 2, 2019**

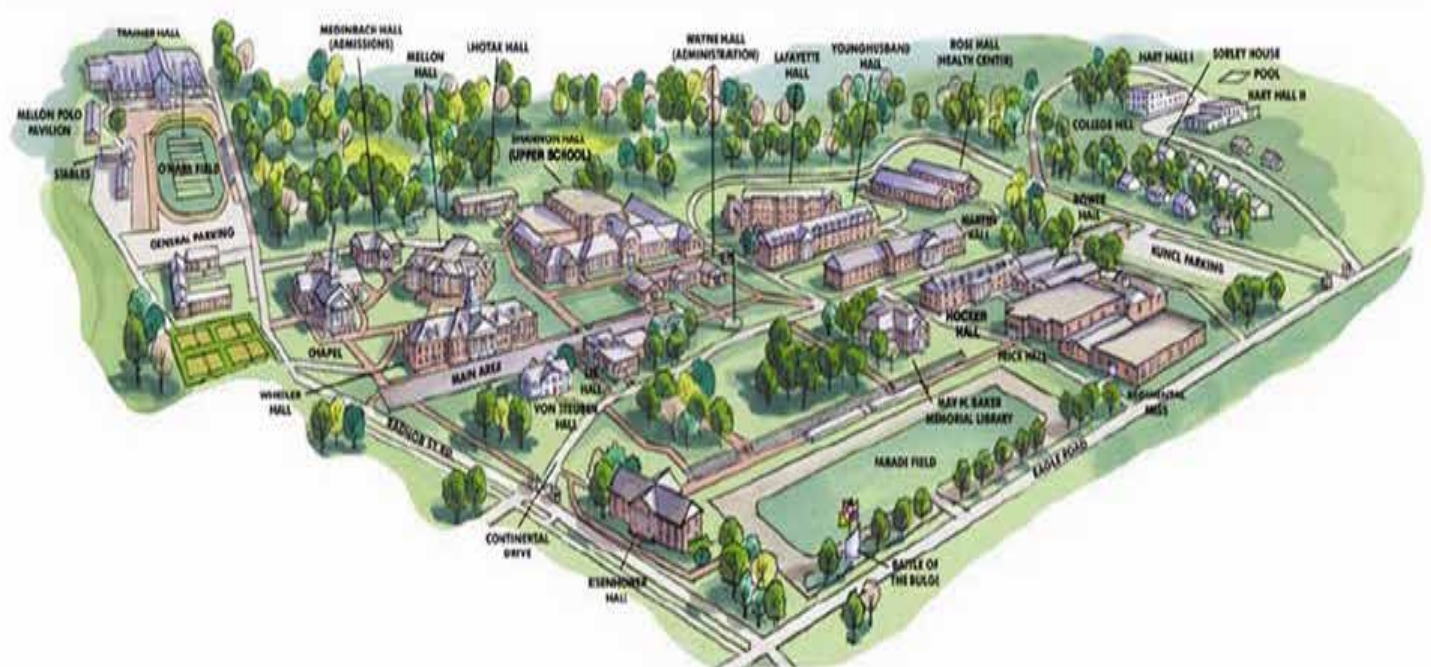

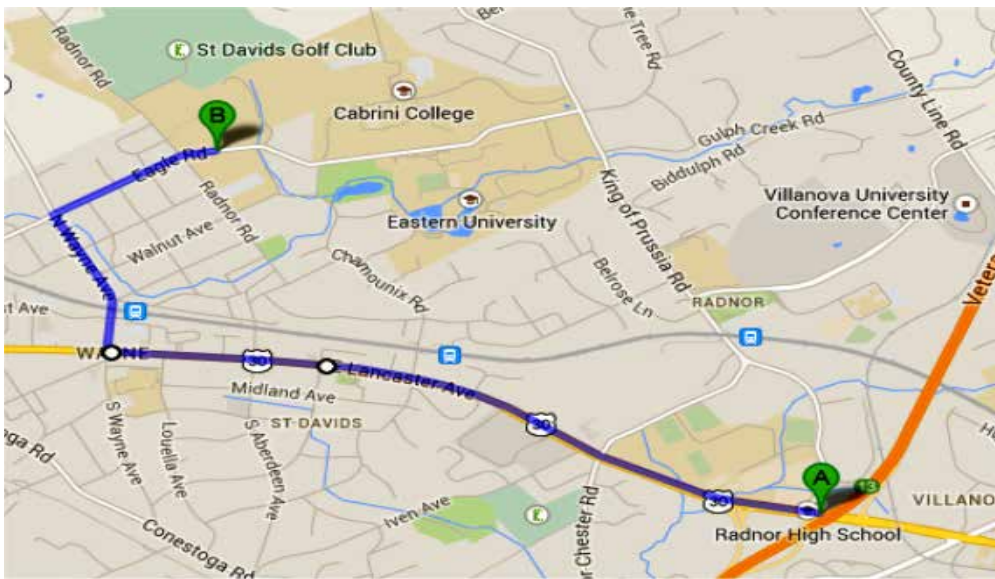

**BOY SCOUTS OF AMERICA**  
CRADLE OF LIBERTY COUNCIL

## Location & Directions

Valley Forge Military Academy & College  
1001 Eagle Road  
Wayne, Pennsylvania 19087

- Travel from I-476 north or south, follow exit 13 to route 30/Lancaster Avenue traveling west for approx 1.8 miles to Wayne Avenue.
- Turn right onto Wayne Avenue and continue for 0.4 miles to the intersection of Eagle Road.
- Turn right onto Eagle Road and travel 0.4 miles to Radnor Road
- Turn left onto Radnor Road and travel 0.3 miles to General Parking Lot on your left.

Parking will be in the designated lot marked by signs. There will also be volunteers on location to guide participants to the parking areas.

## Day Schedule

The activity schedule of the University of Scouting will follow the general format:

<b>Start</b>	<b>End Time</b>	<b>Event Description</b>	<b>Location</b>
8:00	8:30	Check-In	Mellon Hall
8:30	8:50	Opening Ceremony	Mellon Hall
9:00	9:50	Period 1	Classrooms
10:00	10:50	Period 2	Classrooms
11:00	11:50	Period 3	Classrooms
12:00	12:50	Period 4	Classrooms
1:00	1:50	Period 5	Classrooms
2:00	2:50	Period 6	Classrooms
3:00	3:50	Period 7	Classrooms

Classrooms are located in Shannon Hall and Lhotak Hall.

There is a ten minute break between instructional periods.

Lunch and the Midway are offered during periods 3, 4 & 5 in Mellon Hall. You may select the period you desire; they are not assigned.

There is no closing ceremony.

**Visit the University of Scouting web page for on-line registration:**

<https://colbsa.org/training/uofs/>

### **Student Registration**

- During registration, you will be asked to build your schedule for the day by selecting a course for each of the seven instructional periods (1, 2, 3, 4, 5, 6 & 7). Be sure to select a period (3, 4 or 5) for lunch and the Midway.
- Before you start your registration, use the Course Schedule pages to build your schedule.
- If you have not completed training for your current position in Scouting, this is your chance to take your training. Current training policies of the Cradle of Liberty Council will not permit you to remain on your unit's charter without being completely trained for your position.
- The University of Scouting reserves the right to cancel or reschedule courses in order to accommodate the largest number of Scouters & instructors. If a change is made to a course you registered to take, you'll be contacted to have your schedule reflect the change.

### **Instructor & Staff Registration**

- University of Scouting Instructors and Staff may register to take courses throughout the day as their schedule permits. Select Free Period to indicate that no course will be attended during any periods. Refer to the Student Registration section of this catalog for instructions.
- You do not need to register for the course that you are teaching.
- If no courses are desired, select the Instructor ONLY – No Classes category and choose the Instructor Only – No Classes activity.
- Courses are held during seven instructional periods (1, 2, 3, 4, 5, 6 & 7).
- Be sure to select a period (3, 4 or 5) for lunch and the Midway

**Please Note:** Any participant who registers under the staff or instructor section who is not a staff member or presenter will be charged the appropriate outstanding balance at the time of check-in. Staff registration is for designated staff only.

## Course Information

All courses are identified by a Course ID code where xxx is a three digit number.

- CSxxx - Cub Scout Leader College Course (recommended for Cub Scout Leaders)
- BSxxx - Boy Scout Leader College Course (recommended for Boy Scout Leaders)
- GNxxx - College of Scouting Studies - General Course (for all Leaders)
- VNxxx - Venturing College Course (recommended for Venturers)

Additional designations:

Required Courses are listed by their BSA training code (required to be considered trained for your current position in Scouting)

Note: You are free to choose any course you would like to take.

## Cub Scout College

### CS005 - Jump Into Cub Scout Hiking

Hiking in the outdoors is one of the highlights of the Cub Scout outdoor program. Learn about the basics of introducing hiking to your Pack with some terrific ideas to make your planning easy. Explore plenty of options and new ideas to make each hike memorable event.

### CS010 - Planning a Weekend Camping Program

This course will go over all the basics you need to know to plan a successful Pack overnighter or a Pack family camping weekend. Learn how to plan time lines, checklists, location suggestions, program ideas, as well as BSA policies and guidelines. .

### CS014 - Planning High Impact Den Meetings

Learn the makings of a successful Den meeting, by learning what resources are available to provide a Den Leader the means of planning a meeting where the boys (and leaders) have FUN, while keeping with the BSA program objectives. Plan and deliver your next Den meeting with confidence.

### CS026 - Webelos to Scouts

The unknown can be scary for all ages. This course will give you tools to ease the stress on Cub Scouts and parents as they cross over to Boy Scouts

### CS034 - Cub Scout Advancement

This course will provide Cub Scout Leaders with a detailed look at the Advancement program, its preferred delivery method, as well as a look beyond the advancement trail.

### CS040 - NOVA Awards for Cubs

Learn how your Cubs can earn extra awards by engaging in more STEM activities.

### CS042 - Mistakes Packs Make and How to Avoid Them

Find out what to avoid and what the best practices are for a successful Pack.

### CS043 - Teaching Whittling Chip

The safe use of a pocketknife is an essential skill for Scouts of all levels. The Cub Scout Core Adventure program introduces the use of a pocketknife at the Bear level as a requirement for the Bear badge. In this course you will be introduced to the safe handling and use of a pocketknife.

### CS044 - Duty to Country--Citizenship and Good Turns

Service Projects to the Community and your Charter Organization. Activities to teach your Scouts about our country.

### CS046 - Basic Origami

Making something from a simple piece of paper can be fun. Find out how this simple activity can engage your Cub Scouts for hours if done right.

### CS047 - Cub Scout Songs and Singing

Cub Scouts love singing songs. This course will give Den and Pack Leaders some ideas and real experience on "repeat after me" songs that will add a real flair to Den and Pack meetings and events.

### CS048 - Recruiting Cubs, Parents, and New Leaders

How do I get new families to come to my recruitment event? How do I get those new families to sign-up? How do I get those new families involved? Recruit, Involve and Retain your new Scout families: This course will help to answer the main questions that every Unit wants to know.

### **CS049 - Cub Scout Outdoor Cooking**

Cooking in the outdoors can be a challenge especially if you are doing it for the entire pack. Learn easy meals, clean up, and fast serving methods.

### **CS052 - Pack Meeting Games for the Whole Family**

Engaging the whole family is key to a successful Cub Pack that will continue to grow. Learn how to get the whole family engaged during your pack meeting making it fun for everyone.

### **CS053 - Pack Meeting Sparklers**

Learn some of the tricks used by experienced Cubmasters on how to plan and deliver a successful, exciting Pack meeting. Learn about some of the resources available to plan a meeting where the boys (and leaders) have FUN, and will talk about until your next Pack meeting.

### **CS054 - Starting the Meeting Right - Gathering Activities**

Do not know what to do with the Cub Scouts before the official start time. Learn ways to keep them engaged from the minute they arrive and how to add more Cubs to the activity as they arrive.

### **CS055 - STEM 101: STEM in Cub Scouting-- Moving Beyond Engagement**

Engaging scouts in Science, Technology, Engineering and Math (STEM) activities is a great way to get them excited about the scouting program. However, running STEM activities that only engage scouts, don't capitalize on the power of STEM to teach important 21st Century Skills (collaborating, communicating, creativity, and critical thinking), needed to be successful in a modern society. During this session, participants will take part in a hands-on activity that demonstrates what STEM is and how to incorporate it into a Cub Scout Program. Participants will leave with lesson plans and supply lists to help them start running STEM activities with scouts in their home units.

## **Multi-period National Trainings**

### **C40 - Cubmaster/Assistant Cubmaster Position Specific Training (3 periods)**

This is a required training for every CM and ACM. Learn the basics of Cub Scout leading. Why? Because every youth deserves a well trained leader to provide the mission of scouting.

### **C42 - Den Leader/ADL Specific Training (3 periods)**

Are you a Tiger, Bear, Wolf, Webelos, AOL Leader? Learn what your specific Den responsibilities are and how to run your Den meeting.

## Scouts BSA College

The following courses are designed for Adults and most are designed for youth in Troops and Crews.

### **BS002 - Advanced Knots & Lashings (2 period class)**

Learn knots beyond the basics. Learn quick lashes, multipurpose knots and hitches, and practice the skills needed to teach pioneering. This course will be a participant-driven clinic.

### **BS005 – Boy Scout Advancement**

Scouts stay interested when they feel a sense of accomplishment through steady, earned advancement. This course will offer strategies to help Leaders provide opportunities to learn the required skills and provide opportunities for advancement to their Troop.

### **BS011 – Gourmet Dutch Oven Cooking**

Learn about this magical cast iron cooking tool, from basic care to some recipe suggestions and tips. Learn some of the simple and effective methods to cook for a group in this traditional cast iron Scouting outdoor cooking gem.

### **BS013 - Life to Eagle**

The advancement to Eagle Scout introduces processes not required for the previous ranks. This presents unique challenges for the Scout as he coordinates with a project sponsor, completes the application, and prepares for a board of review. In this course, learn more about this process and how to help your Scouts avoid the various pitfalls in earning this prestigious rank.

### **BS051 - Ad Altare Dei Counselor Training (2 Periods)**

For registered adults of the Roman Catholic faith. Upon completion of this course you will be eligible to offer the Ad Altare Dei Religious Emblems program to any Boy Scout 7th Grade and older of the Roman Catholic Faith.

### **BS052 - Pope Pius XII Facilitator Training (2 Periods)**

For registered adults of the Roman Catholic faith. Upon completion of this Course you will be eligible to offer the Pope Pius XII Religious Emblem program to any Boy Scout or Venturer of High School age from either the Roman Catholic or Eastern Rite Catholic Faith.

### **BS053 - Nova Awards for Scouts**

Description of the NOVA Awards Program and tips for developing an STEM program for your scouts.

### **BS054 - STEM Activities in Scouting**

Engaging scouts in Science, Technology, Engineering and Math (STEM) activities is a great way to get them excited about the scouting program. During this session, participants will take part in a hands-on activity that demonstrates what STEM is and how to incorporate it into a Scout Program. Participants will leave with lesson plans and supply lists to help them start running STEM activities with scouts in their home units.

### **BS056 - Chemical Fuels**

When cooking or working in the outdoors, it is key to be safe. Learn what fuels are best for different situations. Handling full or empty containers can be risky if you do not know the proper ways. Find out best practices and safety for all kinds of different fuels we use.

### **BS057 - Light-weight Backpacking & Camping Gadgets**

Going on a short hike or long backcountry trek. Find out what gear is best for each. No cast iron demos here. Only light weight Titanium and other materials that are light as a feather.

### **BS059 - Outdoor Ethics in the Wilderness (2 Periods)**

The Outdoor Code and Leave No Trace are a big part of the Boy Scout program. Learn how you can further your knowledge and practices in the wild.

### **BS060 - Cold Weather Health and Safety**

Learn how to prevent the need for First Aid when out in the cold. Recognize the early signs and prevent serious harm to yourself and your Scouts. Prevention is key.

### **BS061 - How to Dress for Cold Weather**

Layers, Layers, Layers, Wicking Layers, no cotton. Did we mention layers? Learn how to dress for almost any weather condition this winter.

### **BS062 - Cold Weather Bedding and Tenting**

Learn the right way to set up your tent in the winter. Also, learn how to stay warm all night long.

**(Take classes BS060-062 and earn the COL Cold Weather Training card)**

### **BS063 - Cooking considerations for Cold Weather**

Learn how and what to cook when it gets cold outside. A little prepping ahead of time goes along way when it is freezing outside.

### **BS064 - The Den Chief Role Model**

Learn how important this role is for your units growth. Learn what a Den Chief does and who is ideal for this position.

### **BS066 - BSA's High Adventure Facilities for Youth & Adults**

Backcountry treks, Canoeing from island to island, Whitewater rafting, zip-lines, Sailing the Keys, marooned on a tropical island, and so much more! Be in the know of what the BSA has to offer you and your Scouts who want something different and exciting.

### **BS067 - Implementing ILST/ILSC in Your Unit**

ILST/ILSC??? Introduction to Leadership Skills for Troop/Crews. This is the first step to a successful youth run unit. Gather tools and materials for use in your unit to teach the youth how to lead.

### **BS068 - Cooking for Advancement - From Tenderfoot to Cooking Merit Badge**

From menu planning for the beginner to advanced cooking for the seasoned Scout get tips and tricks to making any level of cooking fun and useful.

### **BS069 - Getting Youth to Lead**

Youth lead units are some of the most successful units. Learn how to guide your Scouts to lead. Afraid to let things go, learn how to step back and let the Scouts "figure it out"

### **BS070 - Eagle Project Ideas - A Sampling from the Past Year**

What makes an Eagle project a good project? What are the requirements? How many hours must it be? How much should the candidate do on their own?

### **BS072 - GPS & Geo-caching**

Need ideas to get your Scouts out and about exploring? Geo-caching gives purpose to hiking and goals with rewards all around.

### **C31 - Den Chief Training (3 Periods)**

This training is for Boy Scouts who have been approved by both their Scoutmaster and the receiving Cubmaster to serve as a Den Chief. Due to space limitations in order to register for Den Chief Training at this University of Scouting a Scout must be 14 years of age and hold the rank of First Class or higher.

## College of Scouting Studies

### **GN006 - Know Your Unit is on Target-Using Journey to Excellence (JTE)**

Learn how to use the Journey to Excellence program to set goals for your Pack, Troop or Crew in the annual program planning process, and to encourage excellence in providing a quality program. Learn how to deliver a higher quality program to your unit and boost retention.

### **GN011 - Internet Rechartering**

This course will describe how to use your access code with regards to re-chartering on-line, and provide an overview of the 3 necessary steps in order to advance through the system and how to integrate your unit's software into the procedures.

### **GN031 - Bullying-What it is and How to address it**

This course will help you to recognize and address bullying in your unit. What to look for, how to react and what to do with the information you may receive from a third party. The information you receive in this session may help you retain scouts that otherwise would drop out of Scouting.

### **GN039 - International Scouting**

This course will present a unique perspective on the International Brotherhood of Scouting from a Cradle of Liberty Scouter who has had personal experience as an active part of the World Organization of the Scouting Movement.

### **GN053 - Duty to God & Religious Emblems**

A Scout is Reverent. Learn how you can help your scouts earn awards for exploring their own faith.

### **GN072 - New to Scouting? A 'Cliff Notes' Primer**

What are clearances? Where do I put them once I get them? Training? What trainings do I need? Where can I take them? Boy led? Summer Camp? BALOO, OWL, IOLS, NYLT, YPT what do they all mean. Learn the basics to help get you started on the right track.

### **GN074 - Recruiting - Adult Volunteers**

How to set up an event, what resources are available, who/how to invite. All things to help make your next event a success. Why recruit? The importance to making Scouting grow in your community.

### **GN075 - Scoutbook.com - An Overview**

Learn tricks on how to navigate this useful tool with ease. Need reports/resumes on a Scout, sending a permission slip, checking advancement status, learn this and more.

### **Scoutbook.com-Advanced Functions**

Learn how to use advanced features of this tool to help aid you in organizing your units members. Reports, money management, trips, record keeping, and so much more.

### **GN077 - BSA Online Resources & How to Navigate Them**

[www.my.scouting.org](http://www.my.scouting.org), [beascout.org](http://beascout.org), [scouting.org](http://scouting.org), on-line training. Find out how and where to go to find the resources you need.

### **GN078 - Conservation Activities in Cradle of Liberty Council**

Learn how we can help our community be healthier.

### **GN079 - Food Enviromental and Religious Restrictions.**

Small budget, large budget, allergies, cultural, and religious restrictions. How to plan with all of this in mind

### **Cooking without Utensils**

Learn how to setup a challenge weekend for your Unit by having them cook with no utensils. You will learn what resources you can use and which to not use.

### **GN084 - Incident Reporting - How & Why**

Who to tell when something happens on an outing. Where and how to report the issue (no mater how small or large). Why do we need to report it?

### **GN085 - Safety Moments - What They Are & How to Use Them**

In Scouting there are teaching moments all around us all of the time. Learn tips on how to use these moments.

### **GN086 - Outings in a Post-Tour Permit World**

No more tour permits, means no more qualified supervision on outings right? No, learn what we still need and how to keep this information up to date.

## **GN089 - Advanced Leadership Training for Youth & Adults**

Summary and comparison between Wood Badge and NYLT

## **GN092 - NOVA Counselor Training**

The NOVA counselor's role, duties and responsibilities, requirements to be a registered counselor, methods of counseling and coaching and how to guide a Scout through the process of earning a Nova Award.

## **GN094 - Writing Nominations**

Think someone deserves that special award for their efforts? Do not know how to write it? Learn how to write out just the right thing to help them get the recognition they deserve today.

## **GN095 - Basic Knots**

Left over right, right over left, the rabbit comes out of the hole around the tree... Learn how to tie and teach those basic knots to the young Scouts in your unit.

## **How to Use District Resources**

Who to ask, what resources are available, why ask? A health Unit is one that asks questions and gets information and help from others. Find out the answers to the above and more.

## **How to Start a New Unit**

Find out what resources you need to start your new Unit. What positions should you have filled to start? What paperwork needs to be filled out and filed? Who can aid you in starting a new unit?

## **Started a new Unit, Get it off to a flying start.**

Best practices, resources available, communication skills, Youth led. Find out how to keep your new unit running smooth and growing right from the start.

## **Effective Unit Communication**

Facebook, email, phone call, and/or face to face, which is best and when? How transparent do you need to be? Who needs to know what? All questions that can confuse people. Get your answers here.

## **Paracord Crafts**

Learn how to work with this strong versatile string and make useful wearable items with it.

## **The Scout Handbook, Making the best use of this tool**

Since the start of the BSA we have had a handy guide to help give information and tools to our youth. No more than ever this resource is full of tips/tricks/and time tested tools to help guide a Scouts BSA member through Scouting.

## **STEM-Composite Materials**

What are they? How do they impact our lives? Why learn and teach about these new age materials. Also, learn how to handle and use some of them.

## **Boys and Girls in Scouts BSA-Do's and Don'ts**

Learn what policies national have set before us. Terminology what to say and how to say it. Camping as group (joint outings), meeting together, and more.

## **Archery RSO**

Training that will allow you to open the range at one of our camps for your unit to run an Archery activity.

## **BB RSO**

Training that will allow you to open the range at one of our camps for your unit to run a BB gun activity.

## **Leadership Recognition-Adult Knots/Awards and How to Get Them.**

What awards are there, what forms need to be filled out and who can fill them out.

## **Adult Fun-Being a Campmaster**

Learn what a campmaster is and what they do at our Camps (Resica Falls and Musser Scout Reservations) and how you can help once one weekend a year, once a month once quarterly or whatever works for your schedule.

## Venturing College

### Track 1 (6 Periods)

Note: Lunch will be delivered.

#### **P37 - Venturing Project Management**

This training is designed to prepare Venturers to effectively manage projects. It leads them through each essential step, including initiating, planning, executing, controlling, and closing.

### Track 2 (All Day / 7 Periods)

Note: Lunch will be delivered.

#### **P36 - Goal Setting and Time Management**

This course introduces established methods for improving a Venture's ability to effectively manage daily timelines in his/her life.

#### **P38 - Venturing Mentoring**

This training is designed to help Venturers understand how to mentor other members of the crew and appreciate the role mentoring plays in personal growth and leadership for both the mentee and mentor.

#### **VN001 - Personal Safety Awareness**

Indepth discussions on 4 topics to help teens know and understand boundaries and prevent harm to each other. Suicide Prevention, Internet Safety, Sexual Harassment, and Date Rape are all covered during this session.

## BSA Supplemental Courses

### **D19 – Roundtable Commissioner Basic (2 Periods)**

As a result of this training experience, all participants should be able to:

1. Understand the four-function plan of district and council operation.
2. Identify the responsibilities of the commissioner staff.
3. Describe commissioner relationships with other volunteers and professionals.
4. Understand the commissioners' role in charter renewal, unit service, and membership management.
5. Set priorities for commissioner service and deal with them effectively.

### **D20 – Unit Commissioner Basic Training (3 Periods)**

Leader specific training required for serving in position of Commissioner and Unit Serving Commissioner.

### **D70 – Fundamentals of Training (3 Periods)**

Part 1 of BSA's 3-part Train-the-Trainer continuum, this course is designed to help Scouters present effective training regardless of prior experience. This entry-level course is part of the training required for a Pack Trainer to be considered "trained," and is recommended for any presenter before taking the more advanced Trainers' EDGE course.

### **D76 - Merit Badge Counselor Training (2 Periods)**

This course is intended for anyone who works with youth as a counselor, as well as for leaders responsible for advancement in the unit.

### **S24 – Scoutmaster / ASM Position Specific Training (3 Periods)**

Leader specific training required for the serving in position of Scoutmaster and Assistant Scoutmaster.

### **Y01 -Youth Protection Training**

Required training for every adult member of the Boy Scouts of America. This training must be renewed every two years, and is required to file a new adult application.

**H49 - Health and Safety / Risk Management  
(2 Periods)**

This course is intended for Leaders at every level of the Scouting program, and helps leaders to recognize, limit and avoid risk while engaging in Scouting activities.

**N06 – CPR / AED (3 Periods)-\$30 additional fee**

This is CPR / AED Adult and Child. An additional fee is charged for this course. Materials include: book, bi-valve mask, and card. This course does not cover Infant CPR.

Opening 8:30-8:50	Period 1 9:00-9:50	Period 2 10:00-10:50	Period 3 11:00-11:50 Lunch and Midway	Period 4 12:00-12:50 Lunch and Midway	Period 5 1:00-1:50 Lunch and Midway	Period 6 2:00-2:50	Period 7 3:00-3:50

## FAQs

How much does it cost?

Registration Fee:

All participants that register can attend for only \$20.

Payment is made online when registering.

Please Note: Any participant who registers under the staff or instructor section who is not a staff member or presenter will be charged the appropriate outstanding balance at the time of check-in. Staff registration is for designated staff only.

All transactions and interactions with the [www.doubleknot.com](http://www.doubleknot.com) site are passed through secure and confidential firewall software to ensure the integrity of your personal information. Cradle of Liberty Council does not store any personal financial information on its servers or database.

Can I show up on February 3rd without registering?

Final registration will close January 26th but sign up early because the most popular classes fill up quickly

Walk-ins will be accepted with the caveats that a patch and desired courses cannot be guaranteed.

What should I bring?

To make the most of your day at the University of Scouting, bring:

- Pen & Paper
- Water Bottle
- Questions
- A desire to learn
- A desire to meet fellow Scouters
- Scout Spirit

What is the Midway?

Once again, we will have variety of Scouting Program Contributors along with vendors and companies that provide services or program opportunities to Scouting units.

Will there be coffee?

Unequivocally, Yes! The plan is to have it available all day.

Will there be breakfast?

A simple continental breakfast will be available during check-in.

Will there be lunch?

Lunch will be served during Periods 3, 4 & 5, as selected during registration. Bag lunches will be provided. The Midway will be at the same time.

Is the location handicap accessible?

Please contact us ahead of time so that we can make arrangements for you to safely attend the University of Scouting. When registering, please notify us via the Special Needs field. Also, please contact the Registrar, Stephen Dominski, at [IK-Slop@msn.com](mailto:IK-Slop@msn.com) or the Chancellor of the University of Scouting Dick Clark at [rjclark3@comcast.net](mailto:rjclark3@comcast.net)

Why do the cadets salute me?

While on campus, cadets may salute you. This is a sign of recognition; it is a courteous exchange of greeting. The salute does not need to be returned.

Who do I contact if I have additional questions?

If you have any additional question, you are invited to contact:

Council Staff Adviser, Jason Burns at [jason.burns@scouting.org](mailto:jason.burns@scouting.org)
