

BALOO Prerequisite Course Work How To

Basic Adult Leader Outdoor Orientation or BALOO Training has 2 components.

1. On-line pre-course work.
2. In person practical overnigher.

Prior to taking the practical (hands-on) component, you must have completed the online component. Both components, the online and the practical, must be completed in order to fulfill the “BALOO Trained” status. In the event the online component is not completed prior to the practical, the trained status is withheld until both components are successfully completed. The online portion is available through the BSA Learn Center. Here are the steps:

- 1) Log into my.scouting.org
- 2) Select the BSA Learn Center image on the right side of the home page
- 3) Click on the “Course Catalog” link at the top of the page
- 4) Scroll past the “Position Specific Training” and go to “Expanded Learning”
- 5) Click on the “BALOO Prerequisite Training”; a new page will load; click on “BALOO Prerequisite Training” again
- 6) The page will expand and show the 8 BALOO online modules.
- 7) Click on each module to complete the training
