Vehicle Donation: The Benefits Last a Lifetime

**Donate

What it is

For more than 100 years, the Boy Scouts of America has helped build future leaders – strengthened in large part by the broad support of business community leaders like you. To that end, the BSA would like to share information about a new avenue of support: its tax-deductible vehicle donation program.

What it does

Participation in the program, whether it comes from the donation of fleet vehicles, work trucks or forklifts – virtually anything with a motor or wheels – the money helps the Scouts fund programs that shape our future leaders. Just one donation can become hundreds and even thousands of dollars the BSA can use to give America's youth a chance to:

- Serve their community
- Grow through new experiences
- Build self-confidence
- Establish a moral foundation for the rest of their lives

How It Works

Participating in the Boy Scouts of America's vehicle donation program is simple and straightforward:

1. Contact us to initiate the donation process at either OneCarHelpsScouts.com or 855-272-1227.
2. Share some information about your donation and schedule a free pick-up.
3. Insurance Auto Auctions (IAA) sells it and sends you the paperwork you need to file for your tax deduction.

That's it. We keep things simple, especially when it comes to the items we accept for donation. If you have it, we can use it — any vehicle in any condition.
