In 2011 the National Eagle Scout Association created the National Outstanding Eagle Scout Award to recognize adult Eagle Scouts who have demonstrated **outstanding achievement at the local, state, or regional level**. This can include exemplary volunteer service to Scouting, but also should include significant community service, achievement in their professional field, distinguished military service, or other accomplishments over an extended period of time. This is not just meant to recognize someone for continued service in Scouting.

The nominee must currently live within the boundaries of the council, but does not have to have earned his Eagle Scout Award as a member of our council.

The Cradle of Liberty Council presented their first three awards in May of 2012 and is seeking nominations of worthy Eagle Scouts to be recognized in 2020 at our Eagle Scout Recognition Dinner.

Your nomination should be limited to no more than two pages and should include:

- Name, address, phone number, and email address of nominee.
- Year and Council where they earned the rank of Eagle.
- What the nominee has done to demonstrate outstanding professional achievement, and/or leadership in community service outside of Scouting.
- Awards or recognitions the nominee has earned or been recognized with.
- Any other detailed information that would help the committee understand why they should be honored with this award.
- Name, phone number, and email address of nominator.

Please be specific and include facts that can be verified if necessary.

If you have any questions or need help to complete the nomination, please contact Mark Chilutti, Council Chair of the NOESA committee at 215-668-6314.
